Locations

ABOUT US

Building Reliable Connections.
Delivering **Lasting Impact**.

WHO WE ARE

Tubi Soluzioni FZC is a trusted supplier and service provider of **HDPE pipe fittings, HDPE pipes**, welding machines, and complete solutions for infrastructure and industrial projects across the **UAE, GCC**, and beyond.

We leverage our expertise to provide a full range of services suited to our customers' needs. We provide the best HDPE pipe fittings, supply, installation, repair or maintenance services with world-class butt welding and electrofusion machines.

Mission

To provide high quality HDPE solutions with reliable products, expert support and on-time services across the UAE and GCC.

Vision

To be the most trusted partner for HDPE solutions, supporting infrastructure and industrial growth with innovation and integrity.

Our Promise

Small enough to listen.
Big enough to deliver
— every time.

PRODUCTS

UAE & GCC

WIDE PRESENCE

100%

COMMITMENT TO QUALITY & SAFETY

ONE PARTNER. COMPLETE HDPE SOLUTIONS.

From product supply to project execution, we deliver innovative, reliable and cost-effective solutions for every stage of your project.

QUALITY PRODUCTS

Wide range of HDPE pipes, fittings, liners, welding machines and accessories.

EXPERT SERVICES

Demonstration, installation, repairs, rentals and contracting services.

ADVANCED TECHNOLOGY

World-class machines and equipment for precise and reliable operations.

ON-TIME DELIVERY

Efficient planning, strong network and commitment to project timelines.

TUBI SOLUZIONI FZC

SERVICES

Tubi Soluzioni FZC is a leading supplier of HDPE pipe fittings and provider of complete piping solutions. We deliver high-quality products manufactured with advanced technology and strict international standards.

OUR FOCUS

- ✓ HDPE Pipe Fittings Supply
- ✓ Electrofusion & Butt Fusion Solutions
- ✓ Custom Fabrication & Assembly
- ✓ Quality, Innovation & Reliability

TUBI SOLUTIONS EQUIPMENT TRADING LLC

EQUIPMENT & SOLUTIONS

Tubi Solutions Equipment Trading LLC supplies premium equipment, tools, and solutions for the HDPE piping industry. We partner with trusted global brands to provide reliable and efficient solutions for every project need.

OUR FOCUS

- ✓ HDPE Welding Machines & Tools
- ✓ Inspection & Testing Equipment
- ✓ Spare Parts & Accessories
- ✓ Technical Support & After Sales Service

TGC TUBI GENERAL CONTRACTING LLC

CONTRACTING & INFRASTRUCTURE

Tubi General Contracting LLC provides complete infrastructure and contracting solutions for water, sewage, and industrial projects. We execute with precision, safety, and commitment to deliver sustainable results.

OUR FOCUS

- ✓ Pipeline installation & Infrastructure
- ✓ Civil Works & Utilities
- ✓ Project Execution & Management
- ✓ Safety, Quality & Timely Delivery

ONE GROUP. COMPLETE SOLUTIONS.

From services to equipment supply and project execution, our group of companies works together to deliver integrated, reliable and cost-effective solutions.

QUALITY | INTEGRITY | COMMITMENT | INNOVATION

OUR STRENGTHS

- EXPERIENCE**
Over 10 years of collective experience in the HDPE piping industry.
- GLOBAL STANDARDS**
Our products and services comply with international standards and certifications.
- SKILLED TEAM**
A team of highly skilled professionals committed to excellence.
- ADVANCED TECHNOLOGY**
Investing in modern technology and equipment to ensure superior quality.
- CUSTOMER FOCUS**
We build long-term relationships through trust, reliability and outstanding service.

SERVING ACROSS UAE, GCC & BEYOND

Delivering solutions to a wide range of industries and infrastructure projects across the region.

**WATER
DISTRIBUTION**

**INDUSTRIAL
APPLICATIONS**

**INFRASTRUCTURE

Tubi Soluzioni FZC
Building # 22 – 79, Al Dhaid Road,
SAIF Zone, Sharjah, U.A.E

OUR SERVICES

End-to-end HDPE solutions and expert services to ensure performance, reliability, and long-term value for every project.

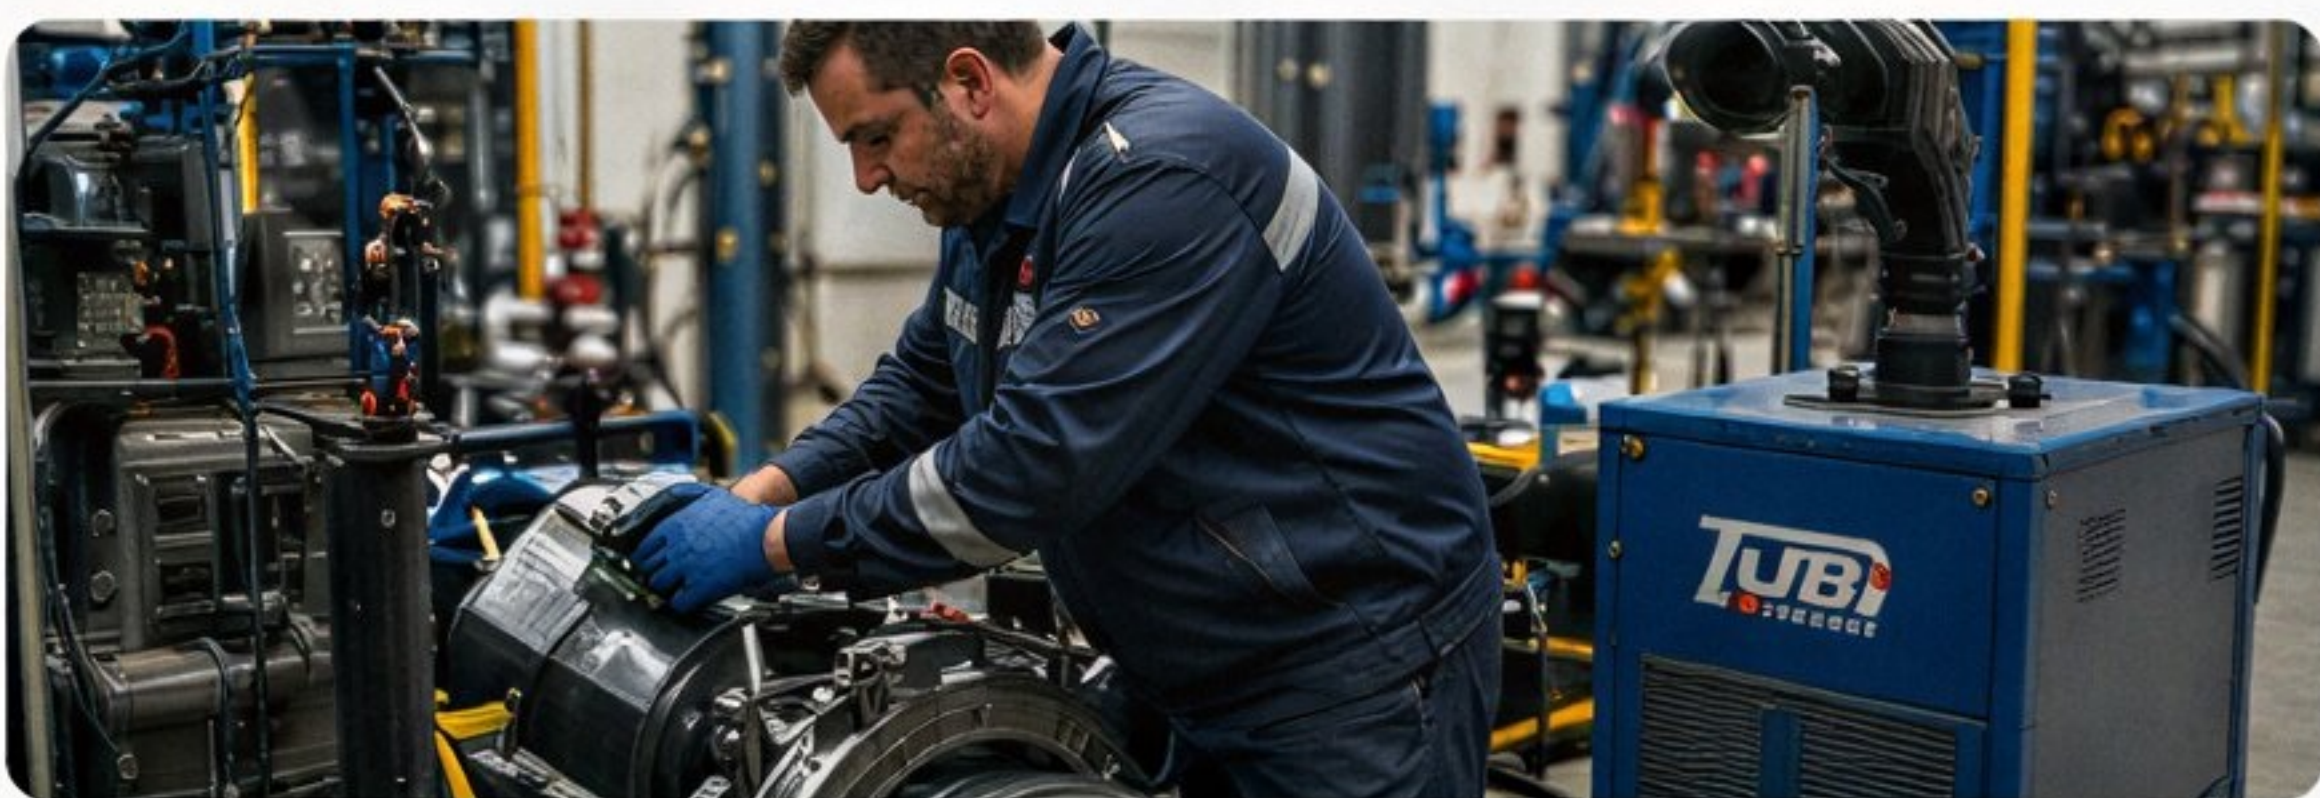

DEMONSTRATION

Our field service team demonstrates our products on-site and provides samples and data sheets for reference. Testing activities can be arranged on request.

REPAIRS

Repairs are carried out in our workshop. Generally, within 24 hours, we will prepare a cost estimate before starting the repair. Upon approval, the repair will be completed immediately.

RENTALS

We have all kind of HDPE welding machines such as Butt Welding Machines, Hot Air Gun, Electro Fusion Machines, Socket Welders, Extruder Welding Machines, Wedge Machines and accessories for rent.

CONTRACTING

We work for providing, laying, jointing different sizes of HDPE, GRP /GRE pipe line for oil & gas, water supplies, sewage, fire fighting and irrigation systems on project or annual rate contract basis.

WHY CHOOSE TUBI SOLUZIONI FZC?

EXPERT TEAM

Experienced professionals ensuring quality execution and technical excellence.

QUALITY ASSURED

Strict quality control and international standards for superior performance.

ON-TIME DELIVERY

Efficient planning and strong resources ensure timely project completion.

COST EFFECTIVE

Competitive pricing with maximum value and long-term savings.

AFTER SALES SUPPORT

Dedicated support team for guidance, training and technical assistance.

GEOHERMAL
& IRRIGATION

PLASTIC WELDING
APPLICATIONS

SMALL ENOUGH TO LISTEN.
BIG ENOUGH TO DELIVER.

Tubi Soluzioni FZC is your trusted partner for HDPE solutions and services across the UAE, GCC, and beyond.

APPLICATIONS

Reliable HDPE solutions for a wide range of industries and infrastructure projects.

INFRASTRUCTURE

HDPE fittings for water distribution systems, sewage networks, drainage, and stormwater management.

OIL & GAS

Corrosion-resistant HDPE lining and fittings for service pipelines, flowlines, and industrial applications.

CONTAINER ENGINEERING

Supply of HDPE sheets, rods, welding rods, and fittings for container fabrication and engineering.

PLASTIC WELDING

Butt fusion and electrofusion solutions for HDPE, PP, PE and PVDF pipes and fittings.

GEOTHERMAL

HDPE liners and solutions for irrigation ponds, industrial ponds, and geothermal applications.

INDUSTRIAL

Durable HDPE products for chemical tank, equipment engineering, and industrial piping systems.

HDPE PIPE FITTINGS

Our HDPE Pipe Fittings are approved by: **ADWEA, ADSSC, AADC, MUSANADA, FEWA, ASHGAL** and many other government authorities.

 High Strength
  Corrosion Resistant
  Long Service Life
  International Standards

BUTT FUSION WELDING MACHINES

Tubi Soluzioni FZC range of butt fusion machines offers the highest quality and reliability for HDPE welding operations.

- ✓ Automatic & Manual Options
- ✓ Wide Range (40mm to 1600mm)
- ✓ Hydraulic Operated
- ✓ Easy Operation & Maintenance
- ✓ High Precision & Durability

OUR PRODUCTS

High quality HDPE products and advanced equipment engineered to deliver performance, durability and long-term value.

1. HDPE PIPE FITTINGS

ELECTROFUSION FITTINGS

For secure and leak-proof joints in pressure piping systems.

BUTT FUSION FITTINGS

Reliable and robust fittings for high-pressure applications.

HDPE/BRASS TRANSITION FITTINGS

Durable transition fittings for connecting HDPE with metal systems.

BALL VALVES FOR HDPE PIPES

High performance valves for flow control in HDPE piping systems.

HDPE PIPE REPAIR SADDLES

Strong and easy-to-install saddles for quick repair solutions.

2. WELDING MACHINES & EQUIPMENT

BUTT FUSION WELDING MACHINES

Automatic and manual machines for pipe welding from 40mm to 1600mm.

ELECTROFUSION WELDING MACHINES

Advanced machines for electrofusion welding from 20mm to 1600mm.

HAND EXTRUDERS & WEDGE MACHINES

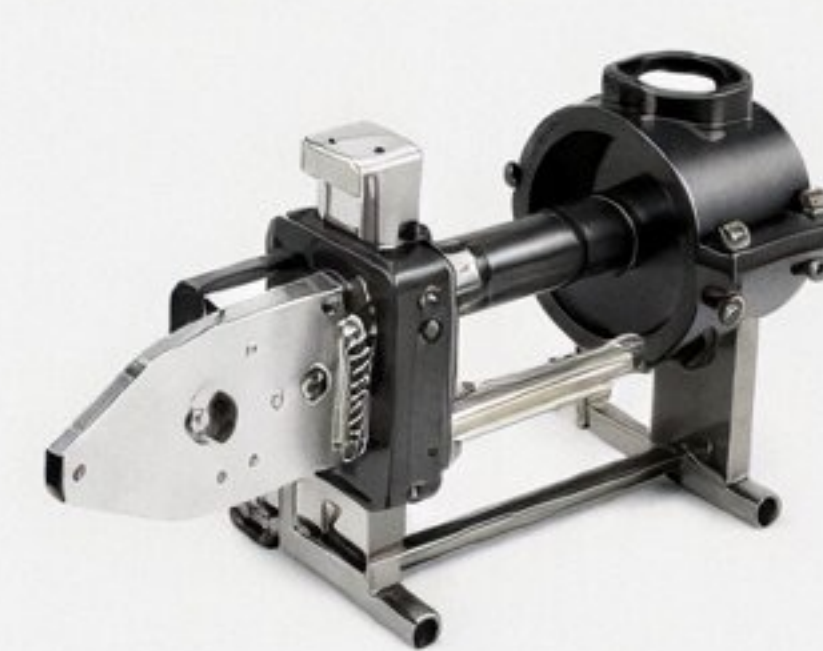

Reliable tools for HDPE sheet and geomembrane welding.

HOT AIR GUNS & ACCESSORIES

High quality hot air tools for plastic welding and fabrication.

SOCKET WELDING MACHINES

Efficient solution for socket fusion welding of fittings.

3. PLASTIC SHEETS & WELDING RODS

PLASTIC SHEETS

- PE, PP, PP-H, UHMW-PE, PVDF
- PVC Rigid & PVC Foam
- PVC Foam, HIPS, ABS
- Fabric backed sheets

WELDING RODS

- PE, PP, PVOF, PVC & PVC-C rods
- Available in various diameters and lengths

ADDITIONAL PRODUCTS

- Stainless Steel Chute
- Disposal Systems
- Custom Fabricated Components

WHY OUR PRODUCTS?

Premium Quality
International standards and quality assurance.

Long Lasting
High durability and corrosion resistance.

Wide Range
Complete solutions for every project need.

Technical Support
Expert guidance and after-sales support.

QUALITY YOU CAN TRUST

Our products are manufactured using high grade materials and advanced technology to ensure maximum reliability and performance.

CERTIFIED & APPROVED

Our HDPE fittings are approved by ADWEA, ADSSC, AADC, MUSANADA, FEWA, ASHGAL and many other government authorities.

ISO 9001:2015
Certified Company

HDPE PIPE FITTINGS

With over 10+ years of experience in the polyethylene industry, Tubi Soluzioni FZC delivers high quality, leak-proof and durable HDPE pipe fittings.

WHY HDPE FITTINGS?

- ✓ High strength and durability
- ✓ Corrosion and chemical resistance
- ✓ Leak-proof & maintenance free
- ✓ Long service life
- ✓ Easy to install
- ✓ internationally approved quality standards

OUR HDPE PIPE FITTINGS RANGE

ELECTROFUSION FITTINGS

For secure and leak-proof joints in pressure piping systems.

BUTT FUSION FITTINGS

Reliable and robust fittings for high-pressure applications.

HDPE / BRASS TRANSITION FITTINGS

Durable transition fittings for connecting HDPE with metal systems.

BALL VALVES FOR HDPE PIPES

High performance valves for flow control in HDPE piping systems.

APPROVED BY

ADWEA, ADSSC, AADC, MUSANADA, FEWA, ASHGAL and many other government authorities.

HDPE PIPE REPAIR SADDLES

Strong and easy to install saddles for quick repair solutions.

OTHER SPECIAL FITTINGS

Flanges, reducers, couplers, end caps and custom fabricated fittings

TEGA HDPE FITTINGS – OUR PRODUCT OFFERING

- HDPE ELECTROFUSION FITTINGS
- HDPE BUTT FUSION FITTINGS
- HDPE / BRASS TRANSITION FITTINGS
- BALL VALVES FOR HDPE PIPES
- HDPE PIPE REPAIR SADDLES
- HDPE FLANGES & SPECIAL FITTINGS

PREMIUM QUALITY

Manufactured using virgin PE100 material for superior performance.

CORROSION RESISTANT

Resistant to chemicals, abrasion and harsh environmental conditions.

LONG SERVICE LIFE

Engineered for durability and reliable performance in every application.

INTERNATIONAL STANDARDS

All fittings are manufactured and tested to meet global quality standards.

QUALITY YOU CAN TRUST

Our HDPE fittings are manufactured under strict quality control to ensure maximum reliability and safety.

CERTIFIED & APPROVED

Our HDPE pipe fittings are approved by ADWEA, ADSSC, AADC, MUSANADA, FEWA, ASHGAL and many other government authorities.

BUTT FUSION WELDING MACHINES

Tubi Soluzioni FZC is a world leader in the supply of automatic and manual butt fusion machines. Reliable, precise and durable machines for high quality HDPE pipe welding operations.

KEY FEATURES

- ✓ Automatic & Manual Options
- ✓ Wide Range (40mm to 1600mm)
- ✓ Hydraulic Operated
- ✓ Easy Operation & Maintenance
- ✓ High Precision & Durability
- ✓ Self-aligning frame for accurate welding
- ✓ Compact design for easy transport
- ✓ CNC unit for fully automatic welding cycle

PRECISE WELDING

Self-aligning frame ensures perfect alignment and strong, leak-proof joints.

RUGGED & RELIABLE

Heavy-duty construction for long-term performance in tough environments.

EASY TO OPERATE

User-friendly controls and low maintenance for smooth operations.

OUR BUTT FUSION MACHINE RANGE

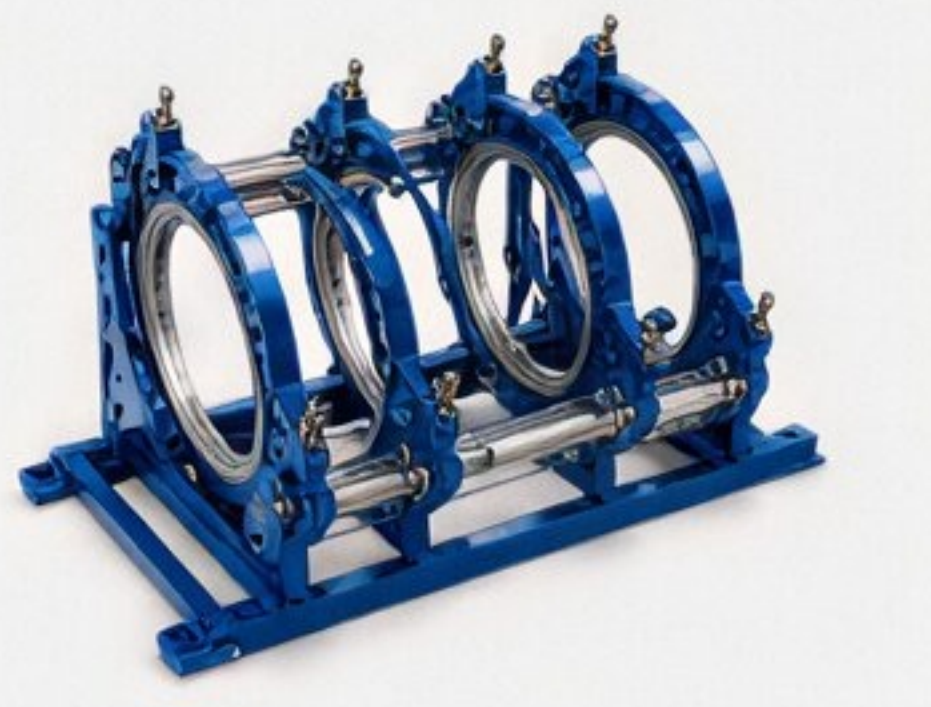

- **PT125 SERIES** – Welds HDPE pipes from 40mm to 125mm
- **PT160 SERIES** – Welds HDPE pipes from 40mm to 160mm
- **PT200 SERIES** – Welds HDPE pipes from 63mm to 200mm
- **PT250 SERIES** – Welds HDPE pipes from 63mm to 250mm
- **PT315 SERIES** – Welds HDPE pipes from 90mm to 315mm
- **PT500 SERIES** – Welds HDPE pipes from 200mm to 500mm
- **PT630 SERIES** – Welds HDPE pipes from 315mm to 630mm
- **PT800 SERIES** – Welds HDPE pipes from 450mm to 800mm
- **PT1000 SERIES** – Welds HDPE pipes from 630mm to 1000mm
- **PT1200 SERIES** – Welds HDPE pipes from 630mm to 1200mm
- **PT1600 SERIES** – Welds HDPE pipes from 1000mm to 1600mm

OUR RANGE INCLUDES

AUTOMATIC BUTT FUSION MACHINES

Advanced CNC controlled machines for high precision and consistent weld quality.

MANUAL BUTT FUSION MACHINES

Robust and reliable machines for on-site welding in all conditions.

HYDRAULIC POWER UNITS

High performance units for stable pressure and smooth operations.

FACING & HEATING TOOLS

Precision tools for accurate facing and uniform heating of pipe ends.

DATA LOGGER & CNC UNIT

Records and monitors welding parameters for quality assurance.

ENGINEERED FOR EXCELLENCE

WORLD CLASS QUALITY

Built with premium materials and advanced technology.

HIGH PERFORMANCE

Delivering consistent results in every welding operation.

LONG SERVICE LIFE

Designed for durability and minimal downtime.

LOW MAINTENANCE

Easy servicing and widely available spare parts.

SAFETY ASSURED

Engineered for operator safety and reliability.

IDEAL FOR A WIDE RANGE OF APPLICATIONS

Water Distribution Systems

Gas Distribution Networks

Sewage & Wastewater Systems

Industrial Piping Projects

Irrigation & Geothermal Systems

Small enough to Listen.
Big enough to deliver.

Trusted Worldwide

500+ Happy Clients

Serving UAE, GCC & Beyond

PLASTIC SHEETS & WELDING RODS

Wide range of industrial plastic solutions and welding rods for HDPE, PP, PVDF and other engineering applications.

OUR PLASTIC SHEETS RANGE

- ✓ PE, PP, PP-H, UHMW-PE, PVDF Sheets
- ✓ PVC Rigid & PVC Foam Sheets
- ✓ PVC Foam, HIPS, ABS Sheets
- ✓ Fabric Backed Sheets

OUR WELDING RODS RANGE

- ✓ PE, PP, PVDF, PVC & PVC-C Rods
- ✓ Solid Rods & Co-extruded Rods
- ✓ Available in Various Diameters (2mm to 250mm)
- ✓ Custom Lengths Available

ADDITIONAL PRODUCTS

STAINLESS STEEL CHUTE

High quality stainless steel chute for various industrial applications.

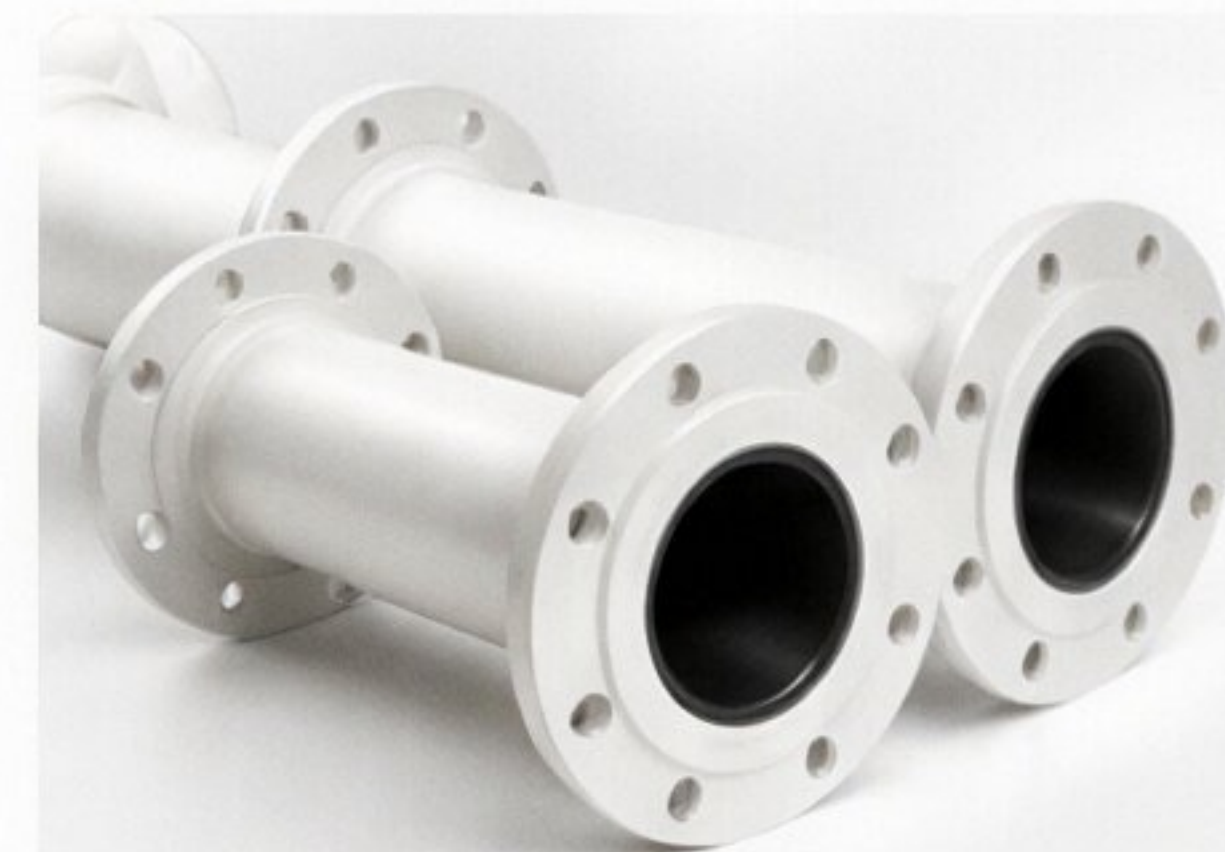

DISPOSAL SYSTEMS

Reliable and durable plastic bins and waste management solutions.

CUSTOM FABRICATED COMPONENTS

Precision engineered components as per customer specifications.

LINED PIPES & FITTINGS

HDPE lined pipes and fittings for corrosion resistant applications.

WHY CHOOSE OUR PLASTIC SOLUTIONS?

PREMIUM QUALITY

Manufactured using high grade raw materials for superior strength and performance.

CHEMICAL RESISTANT

Excellent resistance to acids, alkalis, and harsh chemical environments.

LONG LASTING

High durability and wear resistance for long service life.

VERSATILE APPLICATIONS

Suitable for a wide range of industrial and engineering applications.

CUSTOM SOLUTIONS

Custom sizes, thicknesses and fabricated components available.

EXPERT IN PLASTIC FABRICATION & INSTALLATION

We provide complete solutions including sheet fabrication, welding, liner installation and on-site support for a wide range of projects.

Advanced Welding Technology

Skilled & Experienced Team

Quality Assurance At Every Step

Safe, Reliable & Efficient Execution

SMALL ENOUGH TO LISTEN.
BIG ENOUGH TO DELIVER.

From quality products to expert support, we deliver plastic solutions that meet your expectations and exceed industry standards.

BUILT ON EXPERIENCE.
DRIVEN BY COMMITMENT.

Our Contracting Division delivers high-quality construction and infrastructure solutions with a focus on safety, quality and timely delivery.

-  Skilled Workforce
-  Proven Methodologies
-  Quality Assurance
-  On-Time Delivery

OUR COMMITMENT

We are committed to deliver safe, sustainable and cost-effective solutions that meet client expectations and contribute to nation building.

-  Safety First Approach
-  Highest Quality Standards
-  Efficient Project Execution
-  Sustainable Practices

OUR SERVICES

- **HDPE PIPELINE INSTALLATION AND JOINTING**
Complete installation and jointing of HDPE pipelines for water, sewage, irrigation and industrial networks.
- **BUTT FUSION AND ELECTROFUSION WELDING SERVICES**
Advanced fusion welding using modern butt fusion and electrofusion machines for strong, leak-proof joints.
- **GRP / GRE PIPELINE LAYING AND ALIGNMENT**
Laying and alignment of GRP / GRE pipe systems with precision and quality.

- **UTILITY PIPELINE CONSTRUCTION AND NETWORK EXTENSIONS**
Construction of utility pipelines and extensions to support growing infrastructure needs.
- **PIPELINE TESTING, COMMISSIONING, AND INSPECTION**
Hydrostatic testing, inspections and commissioning to ensure system reliability and compliance.
- **MAINTENANCE AND REPAIR OF OPERATIONAL PIPELINE SYSTEMS**
Preventive maintenance and repair services to ensure smooth and continuous operations.

- **SUPPLY COORDINATION OF HDPE FITTINGS**
We coordinate supply of all required HDPE fittings and materials to support smooth project execution.
- **ADVANCED WELDING EQUIPMENT**
Installation activities are carried out using advanced Butt Fusion Welding Machines for reliable, leak-proof joints.

 Our scope covers supply coordination, pipe laying, fusion welding, jointing, testing, and commissioning of HDPE, GRP, and GRE pipeline systems.

TYPES OF PROJECTS WE EXECUTE

WATER NETWORKS
Reliable installation for water supply and distribution systems.

SEWAGE SYSTEMS
Professional pipeline solutions for drainage and wastewater networks.

INDUSTRIAL PIPELINES
HDPE pipeline works for industrial and utility applications.

UTILITY NETWORK PROJECTS
Complete contracting support for water, sewage, and pipeline network expansions.

OUR CAPABILITIES

- **Experienced Team**
Skilled engineers, supervisors and technicians with proven project execution.
- **Modern Equipment**
Advanced machines and tools to handle projects of any scale.
- **Quality & Safety**
Strict adherence to international standards and HSE practices.
- **End-to-End Support**
From planning and supply coordination to execution, testing and handover.

Tubi Soluzioni FZC
Building # Z2 – 79, Al Dhaid Road,
SAIF Zone, Sharjah, U.A.E

QUALITY IS OUR PROMISE.
EXCELLENCE IS OUR STANDARD.

We are committed to delivering reliable piping solutions that meet customer expectations and applicable requirements.

OUR COMMITMENT TO QUALITY

At Tubi Soluzioni FZC, quality is at the heart of everything we do. We are committed to providing high quality HDPE piping systems, fittings, equipment and services that consistently meet or exceed customer requirements and international standards.

We continuously improve our processes, people and systems to deliver safe, reliable and sustainable solutions for every project.

OUR QUALITY COMMITMENTS

1. CUSTOMER FOCUS

We strive to understand and meet our customers' needs by delivering solutions that ensure complete satisfaction on every project.

2. QUALITY PRODUCTS

We supply and deliver products that comply with international standards and project specifications, ensuring reliability and long-term performance.

3. CONTINUOUS IMPROVEMENT

We continually improve our processes, technologies and skills to enhance quality, efficiency and customer value across all our operations.

4. COMPLIANCE

We comply with all applicable legal, regulatory and other requirements relevant to our products, services and business operations.

5. COMPETENT PEOPLE

We invest in our people through training, awareness and empowerment to ensure competence, ownership and a strong quality culture.

6. SAFETY & ENVIRONMENT

We integrate health, safety and environmental practices in all our activities to protect people, assets and the environment.

7. RELIABLE PARTNERSHIPS

We build strong relationships with our suppliers, partners and stakeholders based on trust, transparency and shared values.

8. EFFECTIVE MANAGEMENT

We establish and maintain an effective Quality Management System and objectives to ensure the ongoing suitability, adequacy and effectiveness of our processes.

OUR APPROACH

- ✓ Risk-based thinking
 - ✓ Process-driven operations
 - ✓ Data-driven decision making
 - ✓ Preventive action and problem resolution
 - ✓ Performance monitoring and measurement

OUR STANDARDS

We adhere to recognized international standards and best practices.

Our products and services comply with:
ISO 4427, EN 12201, ASTM Standards and other relevant specifications.

OUR COMMITMENT

Top Management is committed to providing the necessary resources and support to implement this Quality Policy and to ensure that quality objectives are established, communicated, understood and achieved at all levels of the organization.

QUALITY IS NOT AN ACT, IT IS A HABIT.
WE DELIVER QUALITY. **WE BUILD TRUST.**
