Why Choose Our Products

Premium Quality

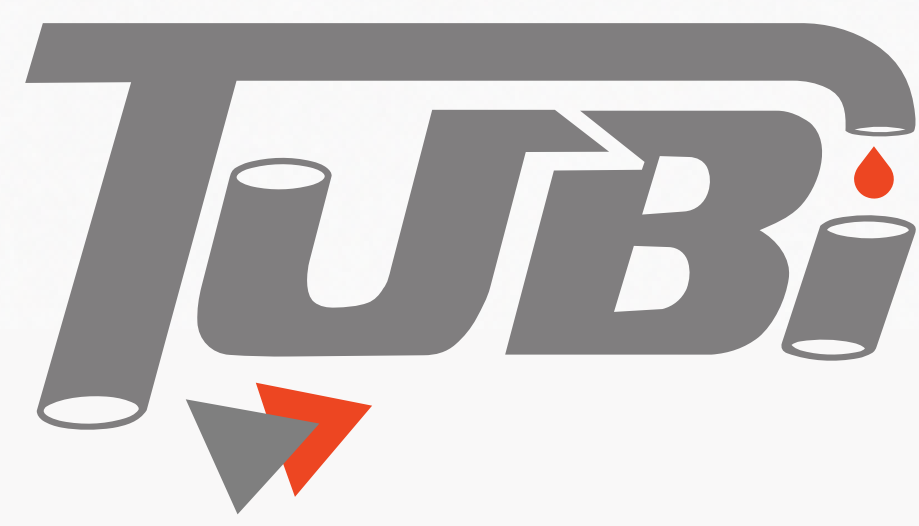

Wide Product Range

Reliable Performance

Technical Support

APPLICATIONS

Water Distribution

Reliable HDPE solutions for potable water networks.

Sewage Systems

Leak-proof pipeline systems for wastewater projects.

Industrial Pipelines

Reliable piping solutions for industrial applications.

Oil & Gas

Durable HDPE systems for demanding environments.

Infrastructure

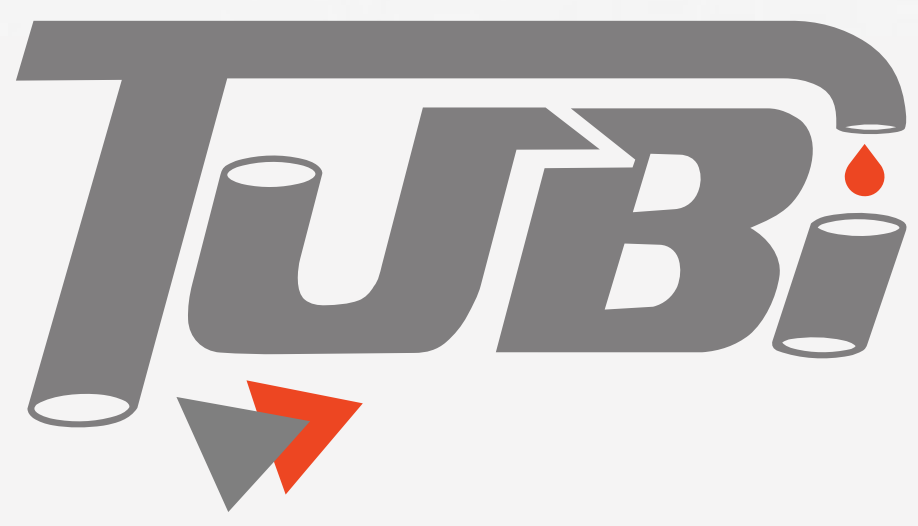

Complete solutions for civil and utility projects.

Container Engineering

HDPE fabrication materials and components.

TRUSTED SOLUTIONS
FOR CRITICAL INFRASTRUCTURE.

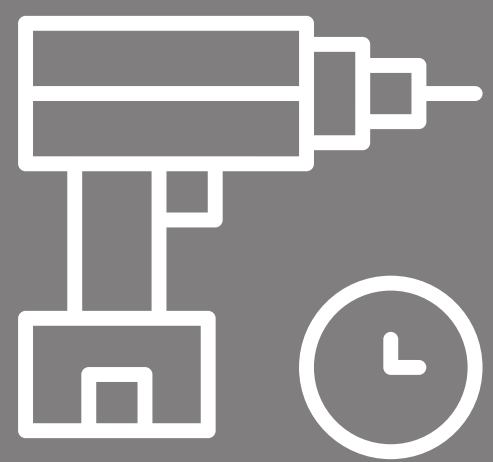

OUR SERVICES

Demonstration

Product demonstrations and technical guidance.

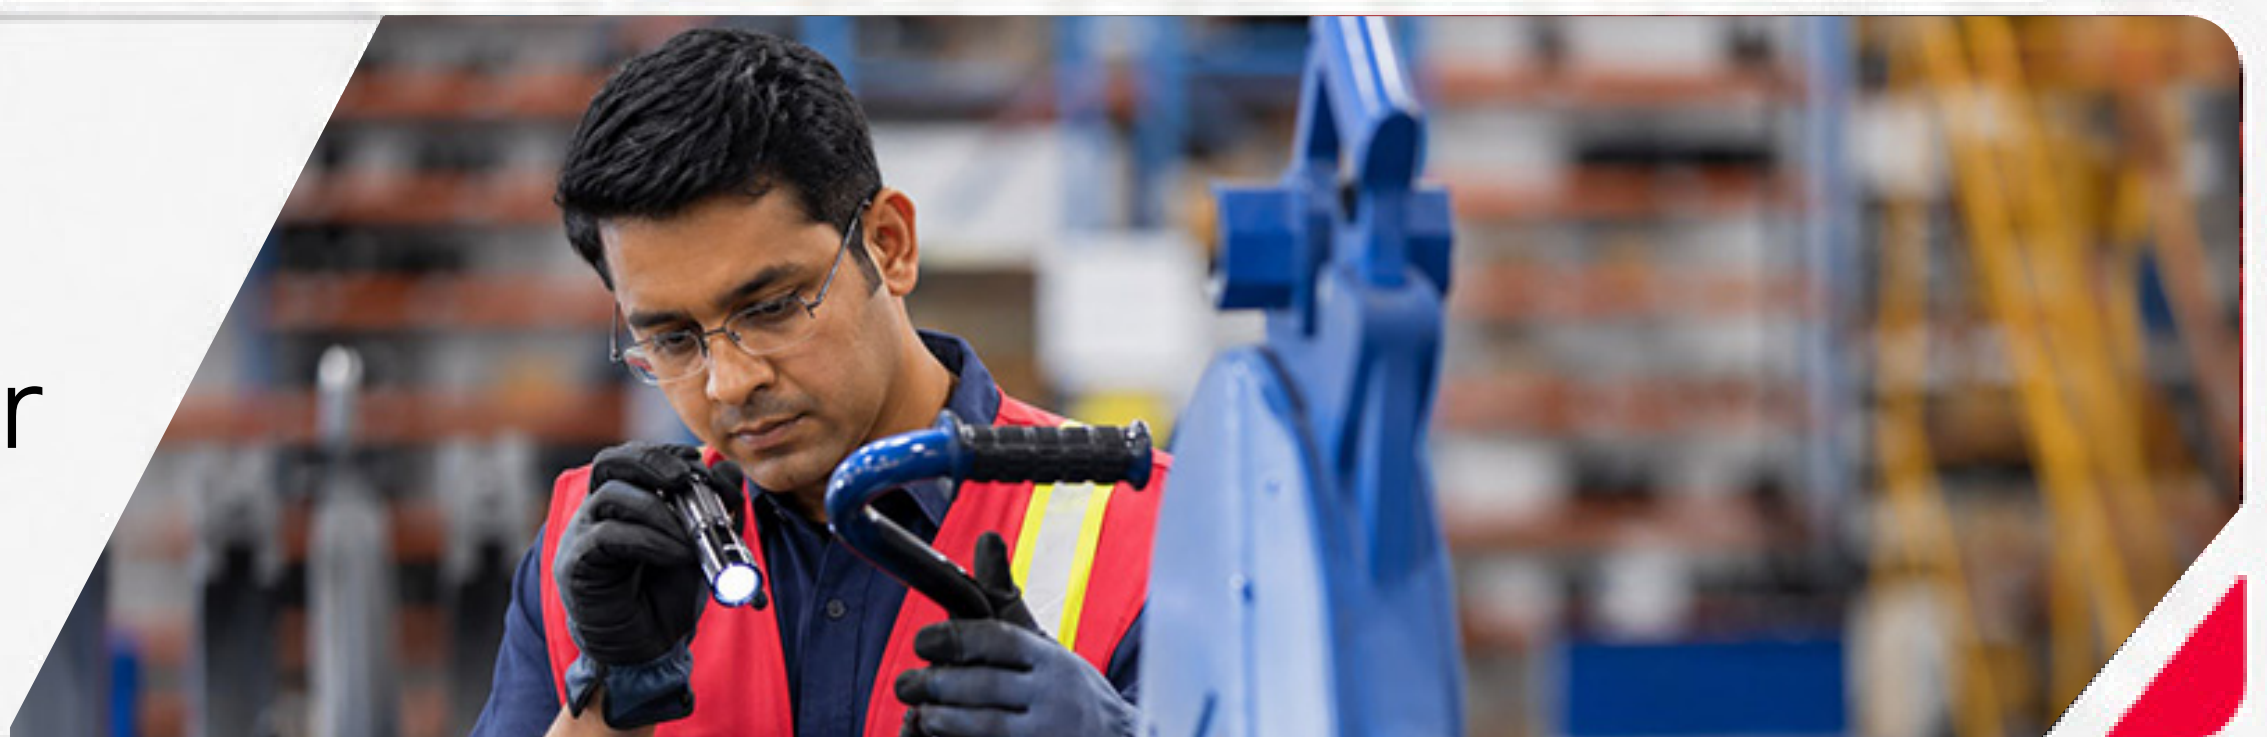

Equipment Rental

Wide range of welding equipment available.

Repairs

Fast inspection, repair and maintenance.

Contracting

Pipeline installation, testing and commissioning.

Technical Support

After-sales support and operator training.

Why Choose TUBI

Experienced Team

Modern Equipment

On-Time Delivery

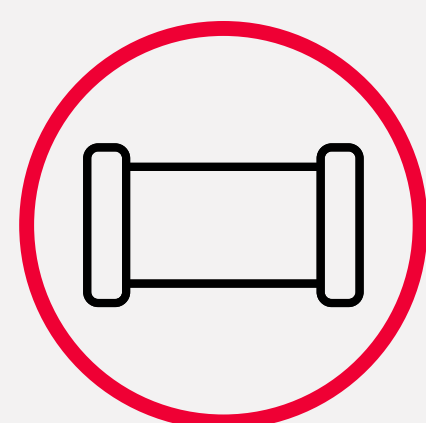

Technical Expertise

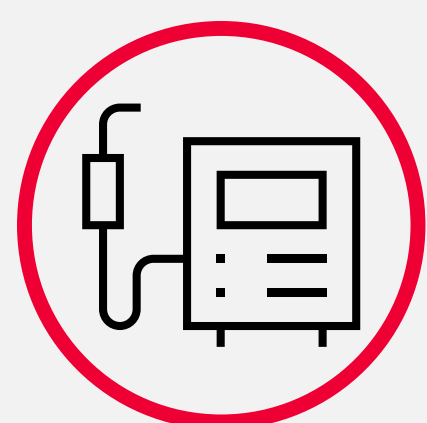

PIPELINE CONTRACTING

TUBI delivers complete pipeline installation services from planning to commissioning.
